Google Play Console ke "Full description" box mein ise seedha paste karein:

✨ Welcome to MannS Parlor — The Premium Salon, Spa & Beauty Parlor Management Solution!

MannS Parlor is an all-in-one business management application engineered exclusively for modern beauty salons, luxury spas, bridal studios, and unisex hair salons. Streamline every aspect of your daily operations—from counter walk-ins to advance bridal appointments, staff allocation, product inventory, and customer billing.

🌟 CORE FEATURES OF MANNS PARLOR:

🗓️ 1. Smart Appointment Booking & Scheduling
• Multi-Flow Appointments: Effortlessly handle Walk-in Orders, Advance Appointments, Bridal Orders, Package Bookings, and Home Services.
• Interactive Calendar & Slot Picker: Easy day and time slot scheduling with dedicated stylist selection.
• Instant Status Updates: Real-time appointment stages (Pending, Confirmed, In-Preparation, Completed).

🎀 2. Comprehensive Services Menu Management
• Organized Categories: Categorize services under Hair Care, Skin & Facial, Spa & Massage, Bridal Makeover, Nail Art, and more.
• Customizable Pricing & Duration: Set prices, estimated durations, and service details for swift counter billing.

👥 3. Staff & Stylist Allocation
• Stylist Profiles: Manage salon staff profiles, contact information, and specializations.
• Real-time Order Allocation: Easily assign specific appointments to available staff members to eliminate customer wait times.
• Track Staff Productivity: Monitor assigned services and staff efficiency.

📦 4. Product Catalog & Inventory Management
• Categorized Retail & Salon Supplies: Maintain salon stock, shampoos, facial kits, creams, and cosmetic items.
• Stock & Price Tracking: Add new items, update pricing, and monitor stock availability right from the app.

⚡ 5. Order Preparation & Counter Billing
• Order Preparation Workflow: Prepare and track service items and products needed before executing treatments.
• Clear Order Summaries: Detailed breakdown of services, assigned staff, applied discounts, and payment methods.

📊 6. Real-Time Business Dashboard
• Live Daily Analytics: Track today's bookings, completed appointments, active staff, and revenue snapshot.
• Quick Action Shortcuts: Create walk-in bookings and access client history with a single tap.

🌍 7. Multi-Language & Luxury Design
• 3 Language Support: Full interface available in English, Hindi (हिंदी), and Gujarati (ગુજરાતી).
• Elegant UI/UX: Premium Rose Gold aesthetic with smooth animations and Dark Mode support.

Elevate your salon business to the next level with MannS Parlor.
Simplify Management • Delight Clients • Grow Your Business!
